COPY SPEED

Increased productivity

Offers a wide range of paper handling options to satisfy the varying needs of users.

Colour Scan and Scan to USB

Besides having the capability of Colour Scan, users can also enjoy the convenience of scanning directly to USB drive.

Department codes

Administrators can manage printing cost by tracking the print volume of departments and users, limiting unauthorised usage through this simple security management.

Mobile Printing

Printing is even more hassle-free now! Simply connect and print directly from your mobile phone or tablet.
